SPONSORED BY THE WEST BRANCH CREATIVE ARTS ASSOCIATION

The Victorian Art Fair commemorates the Victorian Era, a special period of our town's heritage. An effort that grows in importance as the West Branch community continues to progress toward the realization of their "Operation Pride", the transformation of our city into a charming Victorian atmosphere. The Victorian Era, 1830-1900, considered a period of great invention, color, decoration and character was also a time of pride in family and community. In keeping with the ideal, the Art Fair Committee has planned entertainment and activities that contribute to this Victorian Theme.
